My beautiful, sweet, selfless Mother Gwen White (Gwendolyn Faye Ahlstrom White aka Mama Mia - a nickname that she was given by Steven S Carson) entered eternity after a long battle. Your tired body could no longer take the excruciating pain that you had endured for many years. My heart is broken now, but I will cherish every moment that we had together especially all of our travels. I was so grateful to be able to show you the world. I wish that I had been able to show you more, but you were not able to travel towards the end. You will live in my heart and memory forever. There is a terrible hole in my heart right now, but it gives me great comfort to know that you are no longer suffering. I know that our precious Prince Mercedes Carson-White was waiting for you. I can't wait to see you and Mercedes on the other side. Good Night Mama Mia! I will LOVE you forever, SO much, Your loving Son XOXOX
