“ Rusty is my hero. We were Church members at LBF in Upland CA and had many lunches together in our Widows Support group. She was so beautiful and happy all the time.. she loved the Lord and couldn't wait to meet her Mark in heaven. I will never forget her and miss her here on this temporary earth.

“ Rusty was a beautiful woman in every sense of the word. She dedicated her life to her family, friends, and selflessly helping others. She was loved by many and all that knew her. I will reminisce the many holiday get-togethers, family dinners, river trips, the Iowa farm & family and her infectious laugh. Her altruistic spirit has been an inspiration.

“ Cindy and Jodie, my heart aches with you and your families with the home-going of your Mom, but it isn't "good bye" - rather it is "We will all see you soon!" And to Michael, the little brother that your sister always loved and was concerned about your safety, she will be looking for you to join the Heavenly throng when your time comes. In the meantime all of you live for Jesus, because that's what really counts!
