“ My thoughts are with you John, and all Peggys family. I remember Peggy in California when we would visit in Long Beach. Peggy was a sweetheart, and Im sorry to know of her passing in such an awful way with cancer. She was my cousin, and I remember her fondly...

“ Dear Peggy,

I just can't believe that you are gone too fast. I am also very grateful that we had the LAST conversation on videophone on July 26th. You used to be my roommate in the past. We sure had ups and downs but a BLAST! Thank you very much for our lifelong friendship....I love you very much with all my heart ever. I really miss you a lot already. Enjoy the heaven up there, Peggy.

“ The greatest thing ever happened to me was the Honor of meeting Peggy and Marrying her.  
We spent 28 glorious years together and my heart is so void without her next to me  
Peggy is and will always be my one and only soulmate

“ I remember the first time we met and she would send notes wanting to see me  
We spent hours writing notes and have been together for all these wonderful years  
We spent months with me teaching her to talk and if you listened to her talk then  
after 10 - 15  
Minutes you understood what she was saying  
Her big thing was for me to stay back and let her order coffee or food at restaurants  
making her feel so Proud she could do it  
We sacrificed a lot to get everything she wanted and I never refused her choices  
because she was my True Love and I wanted her to have anything she wanted to be  
Happy  
Peggy was and still is my greatest Love, greatest wife and is always my greatest  
soulmate forever until we meet again in Heaven  
God Bless You my Beautiful Wife  
I Love You Forever  
John your everlasting husband
