“ My sincere condolences to the Bazua/juarez family. It saddens me to hear Martha passed. She was a kind, lively women. I usually sat near her in church and she always had something positive to say. She would tell me how she was doing and what she planned to do after church. When the church building reopens, it will be sad to see the Void where she sat. I truly appreciated her kindness towards me. Rest in peace precious one.

“ "People will forget what you said, people will forget what you did, But people will never forget how you made them feel."

This is a perfect quote for Marty. She always had a way to make everyone she came in contact with feel special. A simple word, a radiant smile, not everyone can pull that off and be genuine each time. This lady absolutely did. Her giving heart in all aspects will be dearly missed. I was one of the fortunate ones to benefit from her kindness from the first time we met when I came into this family, never did I feel like I did not belong.

And how can I forget her classy style, she knew how to stand out in a most humble way!

Forever in our hearts and dearly missed!

“ Sis. Martha was a blessing to our church. She was a faithful sister by attending church, paying her tithing, being kind and loving to everyone she met at church. She made everyone feel special and beautiful. My last memory of her was calling her when she was in the hospital. I didn't want to stay long on the phone and just told her how special she was in my life. But she started talking and you would never know she was ill. Just like always we finish our conversation with Sis. Bazua making me feel beautiful and blessed. Going to miss her sitting in the front of me and always waving hi to me and walking towards me. Very strong and Faithful sister who will be missed at our church. I know I will miss seeing her. Will always have a special place in my heart.

“ No words could ever express the heavy heart I feel for the loss of my previous Tia Martha. A Loving and devoted mother to my two cousins that she loved with all her heart. We will all miss you until we meet again on that heavenly family gathering that we all will go back to each with our heavenly father once again. Love you always

“ I had the pleasure of getting to visit sweet Martha while she was at the hospital. Getting to visit her was a treat. Especially seeing her FaceTime with my Grandma Lupe. (Her fave sister) lol. Martha was always so welcoming and so loving. She would always tell me “I remember when I use to be young and had good skin like you” she was always a delight. I will miss seeing her gorgeous hats at church on Sunday. She was always so stylish. Martha, was a beautiful soul and she will be missed dearly.

Much love,
Victoria
